OTHER

CODE: 10480

Cost center covers miscellaneous matters including the town's annual contribution to the capital non-recurring fund, contingency for unanticipated matters and the Firefighters relief fund.

The Firefighters relief fund was established by the Town Council to support the Town's volunteer Firefighters. Each qualified Firefighter receives a quarterly stipend in recognition of his service to the Town. New GASB regulations require the town to budget for this in the General Fund instead of the separate Fire Fighters Relief Fund. The total annual stipends are anticipated to be \$50,000.

Contingency is funded at \$150,000.

Costs related to settlement matters are funded in this category.

LAND USE AND DEVELOPMENT

CODE: 10610

The mission of the Planning Department is to provide staff support to the Planning & Zoning Commission, Inland Wetlands Commission, Zoning Board of Appeals, and Economic Development Commission. In addition, the staff works on special projects for the Town Council and other Boards, Commissions and Building Committees. The Department provides inspection services for the Planning and Zoning Commission and the Inland Wetland Commission.

This office employs the Director of Land Use & Development, an Assistant Town Planner, the Zoning/Wetlands Enforcement Officer and an Administrative Assistant at 40 hours per week.

51100 – Administrative Assistant attends PZC meetings; 12 meetings @ a minimum of 2 hours per meeting. This saves money as the meeting minutes are completed during normal business hours versus a commission secretary being paid to attend meeting and complete and file meeting minutes.

ZEO attends PZC and IWC meetings: 12 meetings @ a minimum of 2 hours per meeting for each Commission; also attends ZBA meetings: Approximately 4 meetings @ a minimum of 2 hours per meeting and IWC Site Walks approximately 4 @ a minimum of 2 hours each.

Assistant Planner attends PZC and EDC meetings: 12 meetings @ a minimum of 2 hours per meeting for each Commission.

As part of the CIF Planning Grant a subcommittee of the PZC has been formed that includes the ZEO & Asst. Planner. The Administrative Asst. will be the recording secretary. It is estimated that this steering committee will meet every other month.

52136 – Fees (membership); ZEO has 3 memberships totaling \$460; Assistant Planner has 3 memberships totaling \$550; Town Planner has 2 memberships totaling \$550. (This account YTD shows \$0, however most of our memberships come due in January and February). 2024 Actual shows \$590 which is incorrect as only 3 memberships are listed.

53002 – Consulting Services; YTD is not reflected correctly, it should state 2612.50 as Goman & York was mis-appropriated. PO stated to take from this account, Finance Director took from Engineering Other. This account is used for consulting work such as review of current Zoning Regulations, Subdivision Regulations, Inland Wetland Regulations for required legislative changes and comprehensive reviews for needed updates (such as may be suggested as part of CIF grant).

53004 – Training & Conference; ZEO attends 6 events totaling \$680; Assistant Planner attends 6 events totaling \$680; Director of LUD attends 5 events totaling \$440. Our job descriptions require us to be certified by CAZEO and/or AICP (Director), these certifications have continuing education requirements as well as, required membership fees.

53008 – Advertising; It is a requirement of the Connecticut General Statutes (CGS) that all decisions made by PZC, IWC and ZBA be noticed in a newspaper having a general circulation in the municipality (The Day). CGS also requires any application that requires a Public Hearing be held, that the Public Hearing notice be published twice in a newspaper having a general circulation in the municipality.

53019 – Misc. Supplies; This account is used to purchase Wetland and Conservation placards that are required as part of conditional subdivision approvals.
